

Online Ticket Sales

CREATING AN ACCOUNT IS AN OPTIONAL STEP. YOU CAN PURCHASE TICKETS WITHOUT CREATING ONE.

Creating an account will allow you to manage your donations, add or edit transactions.

To create an account, click on “**Register**”

If you’ve already created an account, please select “**Log In**”.

Our On-line Fundraiser Ticket Sales application allows you to:

- 1. Purchase a seat for yourself – or – purchase a seat for one or more other persons (at the same time, or as a separate purchase).**
 - If you are purchasing more than one seat, please enter your guest's name in the name field. If you don't have the name of the guest at the time of purchase, simply add their name as "Guest 1, Guest 2", etc. in the name field.
 - 2. Purchase an entire table (seats 8).**
 - You'll need to ideally purchase 8 seats at the same time, as a single transaction. Then put a note in the “Comments” field that you want an entire table.
 - If you don't know the names of all parties who will be attending at the time you purchase the 8 seats, please enter “Guest 1”, “Guest 2”, etc. in the name field. We will contact you later to confirm attendees' names. We need to know names in advance so they can be assigned a paddle number for the purpose of bidding. This allows check-in to be much more efficient.
 - 3. Request to be seated at a table with another person(s).**
 - We'll try our best to accommodate your request. Just enter the information in the “Comments” field.
